

See Yourself in the National Parks

Santa Monica Mountains National Recreation Area

Summer Outreach Program

June – August 2010

Experience Santa Monica Mountains National Recreation Area with your community group! Find out what the National Parks are all about and how you can be a part of *America's Best Idea*.

Learn About Your Park!

A park ranger will 'bring the park' to your community group. Find out what there is to see and do at your local national park.

Experience Your Park!

Visit your local national park for an experience of a lifetime! Park rangers will share stories and history about one of the largest urban recreation areas in the world.

Transportation to Park Sites

Groups are encouraged to provide their own trip transportation to and from the park. For eligible groups that are unable to do so, free bus transportation may be available.

For more information and to submit your application:

Park Ranger Mary Holmes at:

(805) 370-2348 x205 or mary_holmes@nps.gov

Please have applications in early as spots will fill up fast!

We look forward to hearing from you!
